

純VIPGT *Grand Tourer* 30 ALPHARD VELLFIRE

Parts design "good quality" in a keyword in AIMGAIN. I aimed at the complete to let it was fragrant, and the refined atmosphere of the European car make. In consideration of what it is the amount of which car, but can enjoy. A certain sense simple style of adult by the model of the full bumper. It was planning to know that I can never insist on parts too much in after and is to let you sublimate as the form that let you upgrade the refined line of the base called the luxury model more.
