純VIPエグゼ

Balance to glitter.

The owner thinking, "I want to get on only a car becoming the refined design without adding any hand if I can do it" will be to be.

Of course it may be said that it is natural reason that think so only to the car which shows a style attractive enough just to change a wheel. However, even if I do not expect clear makeover,

After all it is a fact again, "I cannot deny existence of slight lacking something" there.

By simple aeroconstitution, it is release from 純VIP EXE.

It features the adulthood which held a claim in check without being different for the name of EXE. However,

I can appeal to you for a feeling of scamper although being an adult-like.
