

AIMGAIN PARTS COLLECTION

It is aim in a style called "pure wind" becoming the liver of the Shin pull in AIMGAIN.
 A luxury model is the style that I am based,
 and was full of them of the make at the pure line which originally lasts.
 I have you know amplitude of the pure orthodox school-stylewell and build up the new stage of the luxury model.

AIMGAIN WHEEL COLLECTION

The customization circumstances in the here these days when the design which makes the step look simple from a high quality-oriented surge is becoming mainstream. The thing which the design which does not spoil the elegance when an object letting you wear it becomes the luxury model is demanded from.

The new state of the VIP wheel that a minute design makes the G series. The awakening of the aura that a luxury model originally has what I aimed at. Neology for VIP.
